- 5.6 **Special Tools & Test Equipment.** If the price stated on the Offer includes the cost of any special tooling or special test equipment fabricated or required by the Contractor for the purpose of filling this order, such special tooling equipment and any process sheets related thereto shall become the property of the City and shall be identified by the Contractor as such.

If any such acceptance occurs prior to final payment, the City may deduct such amounts as are necessary to compensate the City for the diminished value of the defective or non-conforming deliverables. If the acceptance occurs after final payment, such amount will be refunded to the City by the Contractor.

5.9 **Delays.**

5.9.1 The City may delay scheduled delivery or other due dates by written notice to the Contractor if the City deems it is in its best interest. If such delay causes an increase in the cost of the work under the Contract, the City and the Contractor shall negotiate an equitable adjustment for costs incurred by the Contractor in the Contract price and execute an amendment to the Contract. The Contractor must assert its right to an adjustment within thirty (30) calendar days from the date of receipt of the notice of delay. Failure to agree on any adjusted price shall be handled under the Dispute Resolution process specified herein. However, nothing in this provision shall excuse the Contractor from delaying the delivery as notified.

5.9.2 Neither party shall be liable for any default or delay in the performance of its obligations under this Contract if, while and to the extent such default or delay is caused by acts of God, fire, riots, civil commotion, labor disruptions, sabotage, sovereign conduct, or any other cause beyond the reasonable control of such Party. In the event of default or delay in Contract performance due to any of the foregoing causes, then the time for completion of the services will be extended; provided, however, in such an event, a conference will be held within three (3) business days to establish a mutually agreeable period of time reasonably necessary to overcome the effect of such failure to perform.

5.10 **Rights to Proposal and Contractual Material.** All material submitted by the Contractor to the City shall become property of the City upon receipt. Any portions of such material claimed by the Contractor to be proprietary must be clearly marked as such. Determination of the public nature of the material is subject to the Texas Public Information Act, Chapter 552, Texas Government Code.

- 7.15 **Independent Contractor.** The Contract shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Contractor's services shall be those of an independent contractor. The Contractor agrees and understands that the Contract does not grant any rights or privileges established for employees of the City.
- 7.16 **Assignment-Delegation.** The Contract shall be binding upon and enure to the benefit of the City and the Contractor and their respective successors and assigns, provided however, that no right or interest in the Contract shall be assigned and no obligation shall be delegated by the Contractor without the prior written consent of the City. Any attempted assignment or delegation by the Contractor shall be void unless made in conformity with this paragraph. The Contract is not intended to confer rights or benefits on any person, firm or entity not a party hereto; it being the intention of the parties that there be no third-party beneficiaries to the Contract.
- 7.17 **Waiver.** No claim or right arising out of a breach of the Contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Contractor or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Contract, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.
- 7.18 **Modifications.** The Contract can be modified or amended only in writing signed by both parties. No pre-printed or similar terms on any Contractor invoice, order or other document shall have any force or effect to change the terms, covenants, and conditions of the Contract.
- 7.19 **Interpretation.** The Contract is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Contract. Although the Contract may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Contract, the UCC definition shall control, unless otherwise defined in the Contract.
- 7.20 **Dispute Resolution.**
- 7.20.1 If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within fourteen (14) calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.
- 7.20.2 If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Contractor agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a contract interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the

mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The City and the Contractor will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

7.21 **Jurisdiction and Venue.** The Contract is made under and shall be governed by the laws of the State of Texas, including, when applicable, the Uniform Commercial Code as adopted in Texas, V.T.C.A., Bus. & Comm. Code, Chapter 1, excluding any rule or principle that would refer to and apply the substantive law of another state or jurisdiction. All issues arising from this Contract shall be resolved in the courts of Travis County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.

7.22 **Invalidity.** The invalidity, illegality, or unenforceability of any provision of the Contract shall in no way affect the validity or enforceability of any other portion or provision of the Contract. Any void provision shall be deemed severed from the Contract and the balance of the Contract shall be construed and enforced as if the Contract did not contain the particular portion or provision held to be void. The parties further agree to reform the Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this section shall not prevent this entire Contract from being void should a provision which is the essence of the Contract be determined to be void.

Sole Source Certificate of Exemption

DEPT: Watershed Protection Department

FROM: Irene Sanchez

PURCHASING POC: Paul Tremble

PHONE: 512-974-2821

Chapter 252 of the Local Government Code requires that municipalities comply with certain competitive solicitation procedures before entering into a contract requiring an expenditure greater than \$50,000, unless the expenditure falls within an exemption listed in Section 252.022 or other applicable law.

Refer to Local Government Code 252.022 for a complete list of exemptions:

[Link to Local Government Code](#)

This Certificate of Exemption must be complete, fully executed, and filed with the City Purchasing Office.

The City has deemed this procurement to be exempt from the competitive solicitation requirements of LGC Chapter 252 based on the following facts:

1. The undersigned is authorized and certifies that the following exemption is applicable to this procurement.

Please check the criteria listed below that applies to this sole source request:

- ☒ Items that are available from only one source because of patents, copyrights, secret process, or natural monopolies.
- ☐ Films, manuscripts or books that are available from only one source.
- ☐ Gas, water and other utilities that are available from only one source.
- ☐ Captive replacement parts or components for equipment that are only available from one source.
- ☐ Books, papers and other library materials for a public library that are available only from the persons holding exclusive distribution rights to the materials.
- ☐ Management services provided by a nonprofit organization to a municipal museum, park, zoo, or other facility to which the organization has provided significant financial or other benefits.

2. Describe this procurement including the following information as applicable:

- What it is for and why it is needed? These nets are used in the StormX trash traps installed in the Waller Creek Tunnel Inlet facility. WPD replaces six (6) nets at a time after each rain event to keep trash out of the waterways.
- What is the municipal purpose that this procurement addresses or furthers? The StormX trash traps, and nets, maintains creek health and keeps trash from flowing into major waterways.
- Why is the procurement a sole source? Storm Water Systems, Inc. is the sole manufacturer of the stainless steel plate frame, orifice and nets used in the StormX trash traps we own.
- Has this procurement or a similar procurement been competitively solicited in the past? No
- Why is the vendor the only viable solution? They are the only viable solution because the warranty they provide on the entire StormX trash trap system (including the stainless steel plate frame & orifice that holds the nets) only covers nets furnished by Storm Water Systems, Inc. The StormX trash trap system will not be warrantied if nets are manufactured by anyone else.
- Are there any other alternative solutions? If so, why are those alternatives unacceptable? No.
- Is there a concern regarding warranty, compatibility, and/or routine safety? Yes, there is a concern regarding warranty, the warranty will only be in tact if nets are procured through Storm Water Systems, Inc.
- Are there territorial or geographic restrictions for the product distribution and sale? Yes only Storm Water Systems may distribute the nets.
- Are there other resellers, distributors, or dealers in the market? No.
- What other suppliers or products/services were considered? None.
- If the product is designed to be compatible with existing equipment/item/system, describe the age, value and useful life remaining of the current equipment/item/system. What is the estimated cost of buying new equipment/item/system? What is value of buying the addition versus buying all new? Use of any other nets would void warranty on the system which has an anticipated lifespan of 20 years. Replacement of the StormX trash traps is cost prohibitive as it would require engineers to redesign the trash cages and replacement of existing equipment which would cost in excess of \$100k.
- Is there a way to retrofit another brand? What is this estimated associated cost? I suppose there is however it is cost prohibitive since it would require engineers to redesign the trash cages and replacement of existing equipment which would cost in excess of \$100k plus cost of nets.
- What specialized training or certifications are necessary to maintain or repair the equipment/item/system? Is it specific to the proposed vendor? None
- Prices were determined to be reasonable based on the following (select all that apply):
 - ☐ Prices are the same or similar to current City contract.
Notes: At a minimum, note the City of Austin contract number and title.
 - ☐ Prices are the same or similar to current contract with another government.
Notes: At a minimum, note the contract number, title and government that created the contract.
 - ☒ Prices are on a current and publicly available list price, for the same or similar products, available to all government and commercial customers.
Notes: www.stormwatersystems.com
 - ☐ Prices are established by law or regulation.
Notes: At a minimum, note the legal or regulatory reference that established the prices.
 - ☐ Other means of determining Price Reasonableness.
Notes: Describe any other source that was used to establish Price Reasonableness.

* The questions in the form are designed to justify why this purchase should be exempt from a competitive procurement process. Failure to provide adequate documentation to substantiate the request may lead to the request being rejected.
